#### **No. 51000-30-D12-0800**

The Complainant, Lloyd Sweeney, a bus driver, filed a complaint under the Nova Scotia Human Rights Act alleging that the Respondent, Tri-County Regional School Board, discriminated against him in the matter of employment due to his age (related to mandatory retirement). The Respondents entered negotiations for a renewal of the Collective Agreement which will eliminate the condition of mandatory retirement based on age. The parties reached a settlement agreement which allowed Mr. Sweeney to return to his former position, with full seniority and benefits restored.
