Dear Dr. Prince:

RE: *Disability Rights Coalition – Board File No. 51000-30-H14-0148*

Please find attached for filing a copy of the Submissions of the DRC to the Province's Annual Report of May 30, 2025, supporting Appendices, and a Book of Documents.

We have provided an unredacted version of our submissions for the Monitor and Parties to review. We have also provided a redacted version for broader publication. The redacted version omits any references to confidential documents. We have provided a confidential document in our Book of Documents which we received from the Province. While this document may be reviewed by the Monitor and the Parties, we understand it should not otherwise be shared or published.

Thank you for your time and attention to this matter.

Yours truly,

PINK LARKIN
