FOOTNOTES

- SL eligibility and program processes will develop over time
- Without EECD involvement, reporting may be inconsistent.
- Timeline/Reporting with EECD is often based on the school year. DSP reporting occurs twice a year (Jan/May)
- School Leaver service data form stays open until School Leaver withdraws or transitions. Students/families will advise EECD of withdrawals by emailing school-leavers@novascotia.ca.
- Timeline reflects ongoing registration; dates may fluctuate as a result
- School e-mail becomes inactive once School Leavers leave the school system.
- Over-registrations will require a separate communication from EECD if they were not pre-selected
