**To:** Trott, Kathleen M  
**Cc:** Huynh, Tracy A; Medioli, Maria Z  
**Subject:** Government Roundtable

Kathleen,

I am writing to follow up on the discussion at the Deputies' Table on Monday regarding the establishment of a Government Roundtable to support and oversee the implementation of the Human Rights Remedy and accountable to:

- Provide cross departmental oversight and monitoring of the Implementation of the Remedy,
- Manage and mitigate risks and identify and leverage opportunities,
- Coordinate and share resources including budget requests as required,
- Input on and validate progress reports to the Human Rights Board of Inquiry (January and May each year).

Could you please identify one or more members from DHW, NSHA, and OAMH to the Roundtable at the Executive Director level or higher. Please forward their names to Maria Medioli, Executive Director Disability Support Program by close of business on Thursday, December 14.

We are planning to hold a kick off meeting of the Roundtable early in January. Once the Roundtable membership is finalized, invitations will go out. You will be included in the invitations for your information, and you are always welcome, although not expected.

Please let me know if you require any additional details. Thank you all for your support of the Remedy thus far, and I look forward to continuing our work together.

Tracey
