Agenda

5:00   Welcome and intros (Eddie Bartnik)

5:15   Overview of direction (Tim Stainton)

Presentations by Marsha Marshall and Neil Browning of Manawanui in Charge NZ on two key IF "platforms":

5:20   A "funder" view which we provide to prototype Enabling Good Lives demonstration site here in NZ (disability funder) - this focuses on providing a view of self-directed funding spends per individual and as an aggregate. The funder here uses it for monitoring, compliance and reporting. (Q&A with NS focus)

5:50   An individual self-directed/self-service funding platform that is a comprehensive end to end (onboarding through to payments and funding distribution) solution that enables people using direct payments or individualised funding to manage their funding, make purchases, employ support people, and pay them, as well as pay third party providers. (Q&A with NS focus)

6:20   Next steps (Eddie Bartnik)
